## THE GATHERING OF THE COMMUNITY

Prelude *Go Tell It On The Mountain - Spiritual, arr. Ian T. Sadler*

Processional Hymn #349 *All People That on Earth Do Dwell*

Grace *BAS p. 185*

Greeting

Celebrant: We acknowledge that from the 17th century until the 19th century, adults and children were forcefully kidnapped and displaced from their homes in Western Africa and brought across the Atlantic Ocean to North America and beyond where they were forced into chattel slavery.

We also acknowledge that even after the abolition of slavery in 1834, the descendants of the enslaved and other members of the African Diaspora and the Black community have and continue to face discrimination based on the colour of their skin.

This month, we take time to acknowledge, reflect, and honour the significant resilience of and contributions made by people of African descent to the church and society as a whole.

**All: As we celebrate Black History Month, let us commit ourselves to creating a more inclusive and equitable church and society for all. Let us continue to educate ourselves and others about the contributions and experiences of the Black community.**

**Let us work together, emboldened by the Holy Spirit, to create a world where everyone can succeed, regardless of their race, as beloved children of God.**

### **Outreach Lunch February 8**

COMMIT is a Stratford-based team that works with community leaders in an impoverished part of Nicaragua. COMMIT sends teams twice a year to the same area to work on diverse projects that support growth, well-being, and community development. We have a direct link to COMMIT through one of it's founders, parishioner Dr. Doug Thompson. At the lunch, right after the 11:00 am service, we'll hear from Doug and/or other team members about their recent mission. The menu will be Mexican/Latin American. All free-will donations received will go to COMMIT's work. Good food, good fellowship and good work! Don't miss it!

## **Chimes Concerts**

*We received a lovely note from Wendy who had a joyous moment when she heard the song "Windy" playing during last Wednesday's chime concert! See her words below:*

“Back in the 60's as a child I was in the Children's Hospital in London for 3 months. During that time the nurses would bring us little patients out to the area where the hifi stereo was. At 6:00 there was a radio show on with music and the nurses would sing and dance with us. One of the songs was Windy which they called me however my name was Wendy. It's probably why I became a nurse. The bells were quiet all summer and it was so lovely to hear them playing Christmas carols right before Christmas. I only moved here 6 months ago and as a senior it takes a bit to find your footing. Today at noon while I was walking my dog, I heard the bells chiming the song Windy. I sang, I cried, I skipped and I felt like I belonged. Thank you, St. James, for opening your arms with delightful songs at noon by the bells.”
