DEEPENING UNDERSTANDING/SHARING FAITH

Thursdays at St. Peter's are getting EVEN BETTER! We **WILL** continue to celebrate the Holy Communion at 10 a.m. in the church, spending time reflecting on the readings for the coming Sundays. **Additionally**, we will meet in the downstairs lounge at 2 p.m. to explore our faith, share our stories and look at ways that link our lives to the sacred rhythms of the liturgical year.

Our first series **begins May 2** with **THREE** sessions looking at the theme of Rebirth and Resurrection. What does the Resurrection of Jesus mean for humanity and how do we experience rebirth, spiritually, emotionally and psychologically in our own lives?

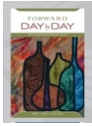

Have a cup of tea and some meaningful conversation. Invite your friends. Bring your curiosity. Readings will be provided. Sessions will last an hour and a half. **There's a sign up sheet in the Hall.**

KUDOS...

to the St. Peter's **First Carpenters** for their work on our meeting room tables. They've been busy sanding and filling and staining the 4 tables. 2 are finished and ready for use and the remaining 2 will be finished in a couple of weeks. Thanks gentlemen...we really appreciate your hard work and service!

AND to everyone who contributed to the lighting upgrade needed at St. Peter's. Enough money was raised to commence upgrades on the altar lighting for the clergy and musicians to see better as well as upgrading the lights in the preschool. The LED lighting will reduce our power usage which is definitely a WIN WIN.

4 Ways to appreciate Mother Nature

 There is no medicine you can take that has such a direct influence on your health as a walk in a beautiful forest." — *Dr. Qing Li*

 If you love a flower, don't pick it up. Because if you pick it up, it dies, and it ceases to be what you love. So if you love a flower, let it be. Love is not about possession. Love is about appreciation." — *Osho*

 "I alone cannot change the world, but I can cast a stone across the water to create many ripples." — *Mother Teresa*

 "To leave the world better than you found it, sometimes, you have to pick up other people's trash." — *Bill Nye*
