### NAME TAGS

If you've ordered a St. Peter's name tag, you'll find them on the free-standing bulletin board in the hall. Many thanks to parishioner Judy Lowood who does the lovely calligraphy. If you'd like one, please add your name to the list which is also on the board.

### WEEKLY FLOWER DELIVERY TO PARISHIONERS

Following the services every Sunday, several folks deliver the altar flowers to shut-in parishioners or parish families who are in our prayers. Would YOU be able to help with this ministry? There is a minimal time commitment involved, but it is a gift to parishioners that is very much appreciated. Please let Liz Williams (250-246-8964) know if you are interested in helping with this "behind the scenes" but very vital ministry.

## A Pentecost Sonnet

written by Malcolm Guite

Today we feel the wind beneath our wings  
Today the hidden fountain flows and plays  
Today the church draws breath at last and sings  
As every flame becomes a Tongue of praise.  
This is the feast of fire, air, and water  
Poured out and breathed and kindled into earth.  
The earth herself awakens to her maker  
And is translated out of death to birth.  
The right words come today in their right order  
And every word spells freedom and release  
Today the gospel crosses every border  
All tongues are loosened by the Prince of Peace  
Today the lost are found in His translation.  
Whose mother-tongue is Love, in every nation.

## DID YOU KNOW?

**St. Peter's is part of the Anglican Diocese of Islands and Inlets** which consists of 45 parishes! As an ongoing long-term project, I will try and shed a little light on as many of these parishes as possible. This week we will look at the Anglican Parishes on **Salt Spring Island** which at one time numbered 5 but which have consolidated to become **All Saints by-the-Sea** in Ganges.

Anglican worship and community have been a vital part of Salt Spring Island life since 1869 when clergy from Chemainus came by boat to hold services in private homes and schools. In 1891, the first resident minister, Rev. Belton Haslam, was appointed to what would become **St. Mark's**. Two years later **St. Mary's** at Fulford was built followed by **St. Paul's** in 1913; however, St. Paul's was destroyed in 1939 by a suspicious fire. In 1940, **St. George's** was built followed by **St. Nicholas** in the 1950s. When attendance dropped to an average of six persons in 1977, St. Nicholas was sold as a residence to the poet Phyllis Webb. In 1993, St. George's Church was physically moved across Park Drive and expanded into the facilities that have become **All Saints by-the-Sea** in Ganges. In the spring of 2022 St. Mark's Church was deconsecrated and St. Mary's is now primarily used as a host facility for Star-of-the-Sea events which is a Centre for Spiritual Living and Practice.

All Saints by-the-Sea has Sunday worship at 10:30 a.m. and a weekday Eucharist on Thursdays at 5 p.m. If you happen to be on Salt Spring Island on a Wednesday afternoon this summer, you can check out the **Tea A' Tempo event series** which features a concert at 2:10 p.m. followed by Tea and Treats (\$5).
