

# Barn Church Prayer Targets

**Matthew 18:19.** Two people may agree together to ask God for something. If they agree like that, then my Father in heaven will give them what they ask for.

Thank you so much for your commitment to participate in prayer coverage for the month of February. We believe something powerful will happen when God's people get serious about united prayer. Please stay focused on the prayer targets that we have chosen for the week so that we will all be "in agreement" in what we are asking for. It's important that we do not use this corporate prayer time for our own devotional time, or to pray for our own personal needs, or desires.

Our nation, our cities and our children need us right now. We need to bring heaven down into our world. We need God to move mightily. Jesus is the only hope of this country and this world. Millions of people are slipping into eternal separation from God, so let's do everything in our power to change that for some! America is worth saving!

Below are four primary topics to pray for, with many suggested prayer points and verses underneath each. This should make it easy to pray for an hour!
