Dear Brethren,

For those who support Bro. Bismark Martinez, or if you are familiar with his ministry in Canalete de Upala, Costa Rica, he is asking prayer for a special need for the work there. The sound system in the church no longer is functioning, and it needs to be replaced. The cost of a good sound system runs right at \$500. We can't stress enough just how important this tool is for a local church ministry.

Please pray with us that the Lord will supply this for the church in Canalete.

Let me know if you would like to be a blessing in helping to supply this need. GOD IS GOOD.
