

Children's Activities for Jan. 25 2026 Many Parts, One Body		
<p>Theme; Each church member is an important part of the body of Christ.</p> <p>Kid's Talk Object; Sing... Head and shoulders, knees and toes.</p> <p>Scripture; 1 Corinthians 12:12-22 God has given each of us a different gift from the Spirit. We to use this gift to help others come to God. In this way, each person we help will be guided to the Holy Spirit.</p>		

We need ALL the parts, or members, of our body to do all the wonderful things we do each day. Run, talk, eat, jump, draw, smell, hear, walk, sing, pray, read,

We need all the parts of our body just the way God gave them to us. We also need to be a part of a bigger body called the body of Christ. St. Paul explains it this way.

12 For just as the body is one and has many members, so it is with Christ Jesus. 13 For in His one Spirit we were all baptized into one body—21 The eye cannot say to the hand, “I have no need of you,” nor again the head say to the feet, “I have no need of you.” 22 On the contrary, the members of the body that seem to be weaker are the most important.

It is the same for all the Christians all around the world; **we all have to work together** so we can all work for Jesus. It takes all of us, even the youngest has a part in making us the best we can be. We all need to help each other.

Every person is an important part of the church, just like every body part is important to the whole body. Together, we make up what is called the “Body of Christ.”

We each have **special gifts** that are important to God and His church. Some of us have been given the gift to be a priest or teacher, while others have been given the gift of healing, helping others, or telling others about Jesus. Maybe you have the gift of being creative, or a great listener, or singing, or you telling stories of Jesus or something totally different.

- **What is one special gift God has given you? What are you really good at? That will be one of the many gifts God has given you to help spread His love.**

Just as God gave us hands, feet, eyes, and ears to meet the needs of the whole body, He has given the church different people with different gifts to meet the needs of the world wide church.

Let's Talk to God; Thank You for giving each of us special gifts. Help us to remember that each of us is an important part of the Body of Christ. Help me to use the gifts you have given me to help others every day. In Jesus' name, amen.

GROUP ACTIVITIES

CARING AIRPLANES: Give each child a sheet of paper to make a paper airplane and decorate it with words of ways to show we care. After all the planes have been made and decorated, let the children fly their plane to another child in the class to represent spreading their CARING from person to person.

CARING HAND PRINTS: Give each child a piece of construction paper to trace and cut out 2 hand prints and a strip of paper about 1x11 inches which they will fold accordion style. Write CARING on one hand and HANDS on the other hand and use the accordion strip to connect the two hands. Tell the children to take the hands home to remind them to use their gifts to CARE for someone during the week.

CARING FLOWERS: Provide sheets of construction paper in a variety of colors to the children. The children will trace and cut out a flower vase and several flowers of different colors. The vase cutout will be glued onto another piece of construction paper and the children will draw several stems coming up from the flower vase. The cut out flowers will then be glued to each of the stems and words of CARING will be written on those flowers. Hang these CARING FLOWERS around their classroom to show others how much they are CARED for.

LET'S SING A SONG:

This little light of mine, I'm gonna let it shine

This little light of mine, I'm gonna let it shine.

This little light of mine, I'm gonna let it shine.

Let it shine, let it shine, all the time.

Vs 2; All around the neighbourhood, I'm gonna let it shine.

Vs. 3; All around Stittsville, I'm gonna let it shine.

Vs. 4 All around the whole wide world, I'm gonna let it shine.

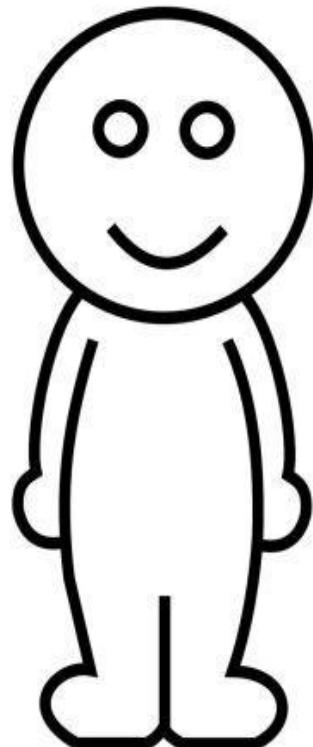

LET'S TALK TO GOD; I know I am just little, God, but I know you want me to use the gifts you give me to help others. Help me to know the gifts you have given me and how to help everyone I meet to feel happier. Amen

KINDNESS STONES

You will need: small to medium sized stones, acrylic paint, fine point permanent markers. When you have made a few stone messages, place them where people walk and will see them, such as the mailbox. On one side write: A Gift for You! On the other side write one of the gifts listed above.

We need our body parts to work together so we can do whatever we need to do. Just like God needs each person to work together to do whatever God wants to do on earth. We are only one part of God's body on earth. Mount the picture on page 7 on card board. Cut out the parts then....**Put them back on again using 5 brads. Attach to a straw or a stick.**
