THE GATHERING

with gratitude in our hearts, clarity in our spirits, and deep confidence - we share what God has done among us in this past season.

2025 has been a landmark year for The Gathering Place.

After years of prayer, planning, discernment, and perseverance, we have taken a historic step of faith: we have purchased our own property. This is more than a real estate transaction - it is a testimony of God's faithfulness and of a congregation willing to move forward in trust. For a young church, this is no small thing.

When The Gathering Place was planted, we began with obedience and a calling to restore lives, families, our city, and our world. Many of you joined when we had little infrastructure but great faith. You gave sacrificially, served generously, and stayed rooted even when the road was uncertain. This building stands as a visible sign of what God can do when His people move together.

Alongside this milestone, we have also experienced meaningful growth - not only in numbers, but in spiritual maturity, leadership, and community impact. We have seen new families find a church home, young people step into leadership, ministries strengthen, our multicultural and multigenerational identity deepen, and our witness in the city expand through compassion, justice, and presence. This growth has been cultivated through prayer, discipleship, accountability, and a shared commitment to God's mission.

Let us be clear: we did not purchase a building to preserve ourselves - we purchased it to serve others. This space will allow us to gather more consistently, deepen discipleship and care, equip leaders, serve our community with greater reach, and dream boldly about what God still desires to do through us. The building is a tool. The mission remains the same.

As we look ahead, this moment calls us to renewed stewardship - of our finances, our time, our unity, and our spiritual lives. We celebrate, but we also consecrate. We rejoice, but we remain rooted. We build, remembering always that the Church is people, not walls.

Family, thank you for believing. Thank you for staying. Thank you for building with faith rather than fear. "The Lord has done great things for us, and we are filled with joy." (Psalm 126:3)

Vamos por mas!

Prayerful Goals

Pre-school

Prayerfully discerning the launch of a VPK program that supports working families in our community.

1

Mental Health Clinic

prayerfully discerning the development of a mental health clinic that offers care, counseling, and healing for individuals and families carrying emotional and psychological burdens.

2

The Gathering Storehouse

The Gathering Storehouse will be a shared space where individuals and families can access essential goods in a dignified and welcoming environment. Rooted in the biblical vision of provision and justice, it stands as a prophetic witness that God's abundance is meant to meet real needs and restore dignity. We pray this space becomes a living testimony of God's care, where burdens are lightened and community is strengthened.

3

After-School Program

prayerfully discerning the launch of an after-school program that provides a safe, nurturing space for children to learn, grow, and be supported beyond the school day. This program would invest in the next generation through academic support, enrichment, and mentorship, reflecting our call to form young lives with care and intention. We pray this becomes a place where children are protected, encouraged, and empowered to flourish

4

Building our Future TOGETHER
