

# THE GRACE CHURCH VISITOR

VOL. 82 | JANUARY 2026 | NO. 7

## From the Pastor

Dear Friends;

Happy New Year! As we enter 2026, there are some things I wish to let you know about what goals we, as a congregation, will be working on for the new year. These goals were passed by those Grace members who attended the Charge Conference this past Autumn.

1. We will be updating the document that was approved by the Administrative Board during the time Fred Darbonne as here as pastor. This document lays out clearly the rolls and purposes of our administrative and ministry committees and boards for the work of the church. It will be a vital tool for us to be able to be clear in future directions and to be more effective in what those work areas do.
2. We will be working on hospitality skills for us as we move into the new year. We live in an era where more and more people distrust organized religion and more and more are feeling the need and seeking spiritual food for life. I believe Grace United Methodist Church is a place where we can meet people where they are.
3. We will begin discussing how we, as a congregation and as individual members, can prepare ourselves to better handle conflict by being able to have difficult conversations with each other. Like most Iowans, we are uncomfortable with disagreements and conflict. This is not productive, and can be ultimately destructive. Disagreement does not mean separation or shunning. It means we all think, and think differently, which is neither shameful nor a crime. And we love through it all.

You'll hear more about these things as the year progresses. So let me close with these words of Howard Thurman on "The Work of Christmas."

"When the song of the angels is silent, when the star in the sky is gone, when the kings and princes have gone home, when the shepherds are back with their flock, the work of Christmas begins: to find the lost, to heal the broken, to feed the hungry, to release the prisoner, to rebuild the nations, to bring peace among others, to make music in the heart. Amen."

God bless you, the people who are the Grace United Methodist Church of Story City, and God bless 2026. Sincerely in Christ, Phil Webb, pastor

## Mission Brunch

Our January mission focus will be the **Roland-Story Food Pantry**, located at the middle school. This vital ministry helps ensure that local students and families have access to nutritious food, and we are grateful for the opportunity to support such an important community resource.

On **Sunday, January 25**, we invite you to join us for our **Mission Brunch**, featuring **baked French toast**. During worship that day, the **quarter tube** will be available, so be sure to bring your quarters and help us make an even greater impact.

Thank you for your continued generosity and for supporting this worthwhile mission that makes a real difference close to home.

## End of Year Giving

As we prepare to close the books for 2025, please note that all year-end contributions must be received by **January 6** to be credited to the 2025 calendar year. Contributions may be mailed or dropped off at the church office. Any checks should be dated **2025** in order to be properly recorded. Thank you for your continued generosity and support of the church's ministry.

## UWF December Update

On December 10, the United Women in Faith planned to gather to assemble cookie tins for our homebound members, but the weather had other plans. Thankfully, we were able to reschedule and meet on December 17, when the weather was much more cooperative.

The afternoon was filled with fun and fellowship as we assembled the cookie tins and enjoyed the chance to visit with members we don't often get to see. It was a meaningful time of connection and service.

Our next meeting will be held on January 14 at 1:30 p.m. Gail Remis will present the program for the afternoon, and Sharla Mander will share the mission moment. We look forward to being together again.

## Second Saturday at Six

Looking for a fun and relaxed evening out? Join us for **Second Saturday at Six** on **Saturday, January 10, at 6:00 p.m.** If you haven't joined us before, this is a great time to give it a try!

Get out of the cold and enjoy warm fellowship in the comfort of our church as we gather for a night of games, laughter, and time together. It's a wonderful opportunity to connect in a casual, welcoming setting.

As always, feel free to bring a favorite game to share, or simply come ready to join in. You're also invited to bring a snack to share. We look forward to seeing you there!

Come enjoy a warm, festive evening together—you won't want to miss it!

## Undecorating

On Sunday, January 4, we will be undecorating the church following the worship service. Many hands make fast work, so the more people who are able to stay and help, the quicker the job will be completed. Thank you in advance for lending a hand as we put away the decorations.

## Something Wonderful: A Sunday School Christmas Program

On December 21, our children shared a wonderful Christmas program titled Something Wonderful. The program told the story of Jesus' birth from the perspective of the animals, offering a charming and meaningful retelling of the first Christmas. As always, the children were absolutely adorable, and it was a joy to hear the Christmas story shared through their voices—along with the help of devoted adult leaders. The children sang beautifully, and their enthusiasm and faith filled the sanctuary with joy. It was truly a wonderful morning and a blessing for all who attended.

## Plastic Bag Mats — Holiday Collection

As you do your Christmas shopping this season, don't forget to save your plastic bags! They help stock our Plastic Bag Mat Ministry for the months ahead.

And as a bonus—colorful Christmas bags add fun pops of color! We love weaving bright, festive patterns into our mats, making each one unique and full of character. Every mat tells its own story, and your donations make that possible.

Thank you for supporting this meaningful ministry in such a simple, practical way.

## Special Music

On December 14, we were blessed with special music during worship—a beautiful duet by Jarod Hart and Pastor Phil. Together they sang “*Little Drummer Boy/Peace on Earth*,” sharing a moving and meaningful musical offering. Their talents and heartfelt performance added a special moment to our service. Thank you, Jarod and Pastor Phil, for sharing your gifts with our congregation.

## Thank you

Thank you so much to the UWF for the new vacuum! We really appreciate you thinking of us and are very grateful for your kindness.

Thanks again,

Donyel and Helen Caruth

## Advent

During the Season of Advent, we prepare our hearts and minds for the coming of Christ. Each week, an Advent candle is lit to mark this sacred time of waiting and hope. The first candle represents **Hope**, the second **Peace**, the third **Joy**, and the fourth **Love**, leading us to the lighting of the **Christ Candle** on Christmas Eve, celebrating the birth of Jesus.

Thank you to all the families who helped light our Advent candles this year. November 30 marked the first Sunday of Advent, though winter weather caused services to be canceled that morning. Despite a bit more snow on December 7, Ray and Betty Hults lit the first two Advent candles. On December 14, Pauline Kokemiller, Donyel Caruth, and Helen Caruth lit the candles for us. On December 21, Rod and Sue Bohner assisted with the lighting. Finally, on Christmas Eve, the Ness Family lit the Christ Candle, reminding us that Christ is our light.

We are grateful to each family who participated and helped make this season meaningful for our congregation.

*May you shine the light of Christ in the new year!*

## Parking

 As we continue to be good neighbors, we would like to share some guidance about parking near the former Bethel Lutheran Church. The parking spaces directly in front of the old Bethel building are available for use. However, the two spaces located in front of the neighboring house belong to that residence.

The homeowner has experienced difficulty being picked up for Sunday morning church when both of her spaces are in use. She is gracious and understanding about occasional use of these spaces, as long as at least one spot is left available for her. She also pays for snow removal for these spaces and needs access to them.

We kindly ask everyone to be mindful of this situation and to please leave at least one of those spaces open. Thank you for your thoughtfulness and consideration as we strive to be good neighbors.

## Help Us Keep the Building Warm This Winter

As we move into the colder months, certain areas of the church building can become quite chilly. To help maintain a more consistent temperature, we're keeping doors open when possible to allow warm air to circulate.

If you are using a room, please feel free to close the door while you're in it. We simply ask that when you're finished, you prop the door back open so the heat can continue to flow throughout the building.

Thank you for your help in keeping our space welcoming and warm for everyone!

## Poinsettias

It was wonderful to see the sanctuary filled with beautiful poinsettias during the Christmas season. Each plant was given in memory of a loved one or in honor of someone special, making the display even more meaningful. Thank you to everyone who shared in this tradition and helped beautify our worship space.

Our sanctuary shines with poinsettias this season, each one a celebration of those we love and remember.

## Winter Weather Guidelines

Winter has already shown that it's going to be cold and snowy, so here is a reminder of our church's winter weather policy. When Roland-Story Schools cancel due to weather, all church activities for that day will also be canceled. If Sunday worship must be canceled, we will notify local TV stations, post on Facebook, and send an email when possible. Your safety is our priority—if you don't feel safe traveling, please stay home and join us online.

## Important Update: Weekday Entrance Change

During the winter months, the parking area by the north entrance of the church can become icy due to limited sunlight. To help keep everyone safe, the west entrance will serve as the main entrance during the week. The west doors will be unlocked, and we encourage all visitors to use them. All doors will remain unlocked on Sundays. On days when the north parking area is completely clear, we will unlock the north doors as well. Your safety is important to us, and we appreciate your cooperation.

## Birthday Card Ministry

Each month, Raejean and Tep spend a day preparing birthday cards to be mailed to our members—a meaningful ministry that brings joy and connection. While Raejean continues her recovery in the hospital, she is temporarily unable to help, and Tep would be grateful for a few extra hands. This ministry takes just one day a month but means so much to those who receive a card. If you're able to help, please contact **Tep or the church office**. Your support would be greatly appreciated.

## Christmas Eve

On Christmas Eve, we enjoyed a beautiful service centered on the true reason for the season. The service was filled with meaningful scripture and uplifting music. The Chancel Choir, with the help of Lena Feil, blessed us with special music that added to the joy and reverence of the evening. It was a wonderful time of worship and celebration as we remembered the gift of Christ.

## New Year's Resolution

As we move into a new year, many of us take time to make resolutions—small changes that help us grow and become better. As a church family, perhaps this year is an opportunity to make a resolution together: to help make our church a little better.

So much of what happens at church takes place “behind the scenes.” There are meetings that help shape the direction of our ministry, quiet acts of care like sending birthday cards, and practical tasks such as preparing candles for Christmas Eve or setting tables for brunch. There are also joyful opportunities—serving together, weaving plastic bag mats, sharing games and laughter, and building relationships.

Maybe there’s a new ministry God is placing on your heart, or perhaps you’d like to join something that has been part of our church for years. Whether big or small, every act of service matters. As we begin this new year, consider how you might help move our church forward and be part of the work God is doing among us.

## 2026 Bible Reading Plan

Are you looking for a way to engage more deeply with Scripture this year? On the next page, you’ll find a Bible reading plan to help guide you through the Bible in 2026. While it doesn’t cover every chapter of every book, it walks through all 66 books, highlighting foundational passages that every disciple should know. This plan is perfect for anyone who has never managed to read through the entire Bible but wants to grow in understanding of what God’s Word actually says.

**How it works:** Participants read **1–2 chapters a day, five days a week**, with built-in flexibility for weekends off. These off-days give you time to **catch up or reflect**, helping you absorb more of God’s Word without feeling rushed.
