

Grace Weekly Email Update

February 4, 2026

Message from JD Cunny (Associate Pastor)

Get game-day Super Bowl ready and help send our students to summer camp! This Sunday we're hosting a Super Bowl Snack Sale with all the favorites—chips + dips, crowd-pleasing appetizers, and easy grab-and-go goodies that make watching the game better. The best part? Every purchase goes directly toward helping our youth get to summer camp.

Summer camp is more than a trip—it's one of the most impactful weeks of the year for many students. It's time away from distractions, time in God's Word, time building friendships, and time for the kind of conversations that can shape faith for years to come. Your support helps remove the financial barriers so more students can say "yes" to being there.

So whether you're hosting friends, feeding family, or just want something good for kickoff, stop by the snack sale in the lobby and stock up. You'll walk away with great food—and you'll be investing in the next generation at the same time.

Safety Team will meet this Sunday. We want to invite all current Safety Team members—and anyone interested in joining—to a Safety Team meeting this Sunday after the 11:00am service in the Worship Center. In today's world, safety is not something we can take for granted. It's one of the practical ways we love our neighbors—creating a welcoming environment where families can worship, kids can learn, and everyone can gather with peace of mind. Whether you've served on the Safety Team before or you've simply felt a desire to help, we'd love for you to come hear the vision, learn what's involved, and see how you might fit.

Snack for a great cause. Step up for a vital ministry.

God Bless,

JD

Safety Team Meeting This Sunday, February 8

All current Safety Team members and anyone interested in joining are invited to a Safety Team meeting this Sunday after the 11:00am service in the Worship Center.

In today's world, safety is not something we can take for granted. It's one of the practical ways we love our neighbors—creating a welcoming environment where families can worship, kids can learn, and everyone can gather with peace of mind. Whether you've served on the Safety Team before or you've simply felt a desire to help, we'd love for you to come hear the vision, learn what's involved, and see how you might fit. Questions, contact [Pastor JD](#).

Where are YOU being called to Serve?

We have a summary of our Local Community Partners and their Mission on our Grace Community Church [website's Serve page](#). You can look at the age of people the organization supports, or category, such as families, pregnancy support, etc.

We are blessed to have a Mighty "Serve Team" as dedicated liaisons. These Grace volunteers can provide so much information about what they do with their Partners, and you likely know some of the people that serve with them. It's a great way to meet others from Grace and people in our community.

Please look at the [website](#) to see if a mission speaks to you. Click on the [Serve Team liaison's name](#) and drop them an email. Ask more about it! Ask if you can help. Let Jesus help lead you to serving by taking the first step.

Serve Delivery Team Volunteers Needed

Do you have time during the week to help Serve by delivering items to our community partners? We are updating our Delivery Team members. Items like food, household items, baby and child supplies, and other miscellaneous things need to be delivered to our community partners and people in need. Please let [Michelle Thomas](#) know if you would like more information.

VBS "Wish List"

Go out to the ["Wish List"](#) for our VBS program happening this summer. Amazon has some great sales on a few items right now! When you place your order, the items will be shipped directly to Sarah at the church address with a notation of who purchased the item. If you see these same items in other stores at a better price, feel free to purchase them and drop these items to the kids checkin station or at the church office.
