Oakville's Mission of Hope

Support Women in Need this International Women's Day!

This International Women's Day, join Kerr Street Mission (KSM) in supporting women who too often put their own needs last. As women, we understand the sacrifices we make for our families—putting our children and partners first, while our own well-being takes a back seat. Sadly, many women in our community face challenges in accessing basic hygiene products and toiletries.

By donating these essentials, you can help restore their dignity, health, and confidence.

Items we are collecting:

• Feminine Hygiene Products	• Shampoo	• Bars of Soap
• Shower Gel	• Hand Cream	• Body Lotion
• Toothpaste	• Toothbrushes	• Lip Balm

*Let's come together and show these women that they matter.
Every woman deserves to feel cared for and supported!*

All donations must be delivered to KSM by Tuesday March 3.

You can also make a financial donation online

Please ensure you include: **Women's Day**
in the comments section at the bottom.
