The Spirit of St. Stephen's Weekly for February 8 – February 15, 2026

Congregational Council approves causes to be featured monthly. **February - Lutheran Homes of South Carolina** is one of the institutional ministries which owes its origins to the congregations of the SC Synod. Believing in the presence of God, the value of human life and the dignity of the individual, the mission of Lutheran Homes of South Carolina, Inc. as a ministry of the church, is to promote the well-being of older adults by providing residential, health care and hospice services. There are five Lutheran Homes campuses, offering everything from independent senior living to skilled nursing and memory care. Lutheran Hospice is another ministry of Lutheran Homes, as are BeWell Services. The latter enables the ability to age in place, by offering support for daily tasks.
