

February

Hello Families, I am so happy to have the opportunity to be part of the learning journey your kids are on, we are currently learning so many things, and they are the ones leading the way with all their questions and eagerness to learn. Reading every day makes a huge difference I strongly recommend taking a few minutes a day to read with them and take the opportunity to bring up all the different phonics skill we are learning. thank you for your continued support/

Look at what we are learning

Practice writing our abc , name and last names.

we will continue to practice diagraphs, cvc and cvce words, what is a sentence.
