Greetings from your missionaries all the way in Mexico City. Beloved church, we thank God for each one of you, who have cheerfully and sacrificially taken care of the Lord's work and us as well, so that many places in the Huasteca Hidalguense region are reached with the Gospel.

We pray that the Lord continue blessing your church, its ministries, and its families as a whole.

During these last two months, we have been busy and very blessed, in conferences, both missions and evangelistic, and have gone soul-winning with several pastors.

We continue praying so that we begin a work in the place the Lord wants us to. There are three places, at the moment, one being Metztitlán Hidalgo, the other is Metztitlán San Agustín, with the third being Santo Domingo, all of which are small, rural towns. We are asking the Lord that He guide us according to His will, and that we may be able to reach some of these towns for Christ. We are already aware that these towns are difficult due to their traditions and customs. It is for that reason that we greatly need your prayers.

We have also visited my wife's town. We have gathered 30 people, but many are afraid due to the conflicts that they have always had because of the town's traditions and customs. For now, we continue praying and preaching the Gospel wherever we go. We ask of your prayers, that the Lord open doors.

Dear brethren, thank you for your prayers and financial support that you have sent us, faithfully and with great effort and sacrifice, month after month during this entire year that we are about to finish. May the Lord bless you abundantly more!

Have a merry Christmas and blessed New Year, 2026.
