January 2026

Dear Praying and Supporting Friends,

We praise the Lord for a great year in 2025, and we look forward to what God has in store for 2026. In 2025, we celebrated our 20th year on the field, and we are looking forward to many more years of service in Brazil. We ended the year on a high note with a record attendance for December. Thank you for your faithful support and prayers over the past 20 years.

January has already started off with a bang. We are working with a missionary in Mozambique to get them our Sunday School material and good books for the people of Mozambique, who also speak Portuguese. What a blessing to be able to help another Portuguese-speaking country get the materials they need to reach those people for Christ.

## Goals for 2026

Pray with us as we plan to launch our online radio station in Angola this year. Each time we launch into a new Portuguese-speaking country, we spend money on advertising to get the word out. We always launch with a salvation video and a link to our radio station website. Pray that we can reach Angola with the gospel via our online radio station. If you ever want to listen, you can find it at [www.radiocompaixao.com](http://www.radiocompaixao.com).

We are also excited to be proofreading, typesetting, and laying out 3 new books in Portuguese. Getting good Christian books into the hands of the Portuguese world is something we are passionate about. We would like our pastors and our people to have more tools to help them grow spiritually.

Finally, Rebekah has completed Pre-school (ages 4-5) and Fundamental 1 (1st-5th grade). We are now in the final process of making it "attractive" for the hidden homeschoolers and afterschoolers in Brazil. That line of material will be advertised in the middle of this year on several media platforms. Each subject matter is 100% Christ-centered, and every book includes the plan of salvation. It is our prayer that as we enter homes of people we do not know, we can help influence them, most importantly to salvation, and then to follow Christ with their lives.

We have a busy year ahead of us. Pray with us that God will continue to bless us with health and strength to get everything God has for us done in 2026. Thank you again for your faithful support and prayers.
