

Silver and Sage 55+ Social Group About Us

A community outreach, run by volunteers, Silver and Sage is a social group for seniors 55+ from any background or walk of life. Whether you want to learn, to connect with others in a vibrant community, or simply laugh, this gathering is designed to offer you something. We will offer focussed and informative discussions on diverse topics, entertainment, art, music, and relaxing coffee-&-chat time.

Meetings are held twice a month, on the 2nd and 4th Thursdays, 1:30 – 3:30 pm. Occasionally, we may meet on Saturdays to encourage intergenerational gatherings or to accommodate a special activity. We use St. Luke's Church for speakers and musical events, and we have the option of using St. Luke's Hall for other forms of activity if the space is available.

The name we have chosen, **Silver and Sage**, is suggestive of what we believe and acts as a metaphor for who and what we are.

Silver is valuable, beautiful, tough, long-lasting. It can be brought up to a shine with a little polish. Hey! That's not grey hair you have – it's silver! As for **Sage**: sages are elders, revered for their wisdom. Our Indigenous people use it for spiritual healing and serenity. Sage is also a herb, intense in smell and flavour, used to enliven plain foods. Sage is a colour, a tone of green that has a hint of grey in it, but still green—and green is ever youthful in spirit, hopeful, and alive.

Valuable, strong, glowing, wise, youthful at heart, hopeful, lively, thoughtful, spiritual, serene: that is how we see seniors, and if that is how you see yourself, you are a candidate for the group. Please join. You will have much to gain, and we hope, much to offer.

You can participate in so many ways: if you have knowledge of an interesting field, please offer a presentation; if you love baking, bring cookies along; if you see someone struggling to make friends, include them in your conversation, make them feel a part of everything.

Through this evolving project, we hope to encourage healthy ageing. We want to address social isolation and keep seniors intellectually engaged and informed and actively involved. We hope to encourage a sense of purpose by offering opportunities for volunteering or leadership. We are planning joy too: music and other entertainment. We mostly want people to feel at home and have fun.

Any group is dependent on its members' enthusiasm and willingness to be engaged, so whether you are 55 or 85+, if you want to be involved, if you want to make new friends, if you want to maintain mental and physical agility, if you want to have fun, please consider joining, and bring your friends along too.
