Hello Anna Walter!

Are You Ready for Jesus' Return?

It could be today, or it could be years from now that Jesus comes again. Regardless, I want to please Jesus with doing His work in His way whenever He comes. Keeping this in mind helps me keep focused on what is truly important. Our greatest treasure truly is in our relationship with Father God. We have the great privilege of sharing that treasure with more people in more languages faster than ever before. Bible translation is accelerating. We have more options for Bible distribution than ever before. Global networks and advances in technology make it possible to give massive numbers of people access to the Holy Bible in their own language. It is an exciting time to be alive and working with God to reach the people He loves! I love the freedom to fully embrace the calling God has given me to spread His Word world-wide!

Thank you for your prayers, support, and encouragement!

Please Keep Praying

Thank God for:

- A quick but love-filled visit with Evan and Kaylee on the mainland, including safe travel there and back
- More than **612 Million Scripture deliveries in 1,536 Bible translations** from **eBible.org** and associated sites!

Please pray for:

- New free Bible study software under development
- Wisdom concerning printed Bible projects
- Implementation of a better way to post audio Scriptures
- Our ministry volunteers
- More Scriptures to be translated and released to freely go to more people in more languages

How can we pray for you, today?

May God bless you!
