Pentecost 15
Service of Word and Sacrament

Welcome to worship at Hope!

Our service follows a four-fold pattern of GATHERING as the Holy Spirit calls us together as the people of God; WORD as God speaks to us in scripture reading, preaching, and song; in the MEAL as God feeds us with the presence of Christ and SENDING as God blesses us and sends us in mission to the world. Texts you need for worship are projected; hymns and scripture readings for today are printed below.

THEMES OF WORSHIP TODAY

Today's festival is a bridge between the Advent-Christmas-Epiphany cycle that comes to a close today and the Lent-Easter cycle that begins in several days. On a high mountain Jesus is revealed as God's beloved Son, echoing the words at his baptism. This vision of glory sustains us as Jesus faces his impending death in Jerusalem. We turn this week to Ash Wednesday and our yearly baptismal journey from Lent to Easter. Some churches put aside the alleluia at the conclusion of today's liturgy. This word of joy will be omitted during the penitential season of Lent and will be sung again at Easter.

Today we will remember in our prayers:

Norma K., Tony T., & Mary S.

HOPE IS HIRING: MANAGER OF OPERATIONS

Please help us spread the word and find the person who will be our new Manager of Operations at Hope. This is a new role that will serve in a collaborative leadership model with Pastor Greg and Council, helping ensure that management and administration of our facilities, rentals, personnel, compliance, financial systems, communications, technology, and volunteer engagement are well tended to so our existing and emerging ministries can thrive. Please share the posting far and wide among your friends, colleagues, and family. It's available on Hope's website under "News".

WHY ARE WE HIRING A MANAGER OF OPERATIONS?

We recently announced that Hope is seeking a Manager of Operations. This is a new role for our staffing structure at Hope, and its announcement has evoked questions and some confusion about the need for such a role and how we arrived at this place of hiring new staff. For those who are interested, Council has created a background document to share the journey of how we got here, with excitement for where we are going next. The document is available on Hope's website under "News".
