*The evening Office of Vespers has roots extending into the worship life of the Jewish people. Our tradition has molded and shaped these forms of worship and prayer through an evolutionary process that is both faithful to our heritage and open to creating new traditions of praise. The Jazz Vespers Service is itself a synthesis of several traditions, each finding a unifying voice through the unique musical heritage that we call jazz. The makers of jazz develop consummate technical achievement as both a composer and a performer. The virtuosity of the performer is not an end unto itself. The musical tradition is about the task of giving voice to the hopes, dreams, frustrations and pain that expresses human experience. Jazz is the musical incense that collects and carries the prayers of a people. (From an article by the Rev. Norm Freeman, Episcopal priest 1952-2024).*

Word of welcome

Thanksgiving for the Light (said together)

**Blessed are you, O Lord our God, the shepherd of Israel, their pillar of cloud by day, their pillar of fire by night. In these coming forty days you lead us into the desert of repentance, that in this pilgrimage of prayer we might learn to be your people once more. In fasting and service you bring us back to your heart. You open our eyes to your presence in the world and you free our hands to lead others to the radiant splendour of your mercy. Be with us in these journey days for without you we are lost and will perish. To you alone be dominion and glory, for ever and ever. Amen.**

Hymn: Amazing Grace

1. Amazing grace how sweet the sound That saved a wretch like me  
I once was lost, but now I'm found Was blind but now I see.
2. T'is grace that taught my heart to fear And grace my fears relieved  
How precious did that grace appear The hour I first believed.
3. The Lord has promised good to me, His word my hope secures;  
He will my shield and portion be As long as life endures.
4. Through many dangers, toils, and snares I have already come  
This grace that brought me safe thus far And grace will lead me home.
5. When we've been there ten thousand years Bright, shining as the sun  
We've no less days to sing God's praise Than when we first begun.

*Please sit for the improvisations then please stand to sing Verse 1:*

Amazing grace how sweet the sound That saved a wretch like me  
I once was lost, but now I'm found, Was blind but now I see.

*Bless you for coming. Please join us for refreshments at the back of the church.*
