Acknowledgement of Territory

ALL: God calls us to live with respect and care for all our relations in creation. For thousands of years, Indigenous peoples of this area have tended the earth, and we give thanks for such diligence. We covenant to live and work together, sharing this land in peace and respect as long as the sun shines, the grass grows, and the river flows.

Call to Worship

Building...

Building up...

Building up strong...

Building up strong takes a sturdy foundation.

Raising...

Raising up...

Raising up strong...

Raising up strong takes wisdom and passion.

Growing...

Growing up...

Growing up strong...

Growing up strong takes love grounded in God.

In our faith, may we build, raise, and grow.

In our worship, may we find our foundation, our wisdom and passion, our love grounded in God and rooted in Christ who reigns in our lives!

Alleluia!

Alleluia! May it be so!

Light the Christ Candle

We believe Jesus shines with the glory of God.

At the transfiguration, three disciples experienced Jesus shining and radiant. We were not there to experience the mystery of that moment, but we are here now.

We can nurture our relationship with Jesus, so that our living reflects that Christ light, so that we shine in small ways and large.

We light this Christ candle as a symbol of the light that shines through us as we live our discipleship.

Opening Prayer

Prayer of Confession

Loving God, you enable us to make changes that matter. With your love,

you transform our sadness into joy, our defeat into hope.

With your love,

you transform our apathy into commitment, our selfishness into thanksgiving.

With your love,

you transform our indifference into praise, our shyness into laughter.

Transforming God,

we are restored by your presence to be the faithful ones we are called to be.

In gratitude, we open our hearts now to you, sharing honestly what needs transformation in

our lives.

(a time of silent prayer)

Loving God, you enable us to make changes that matter.

With your love, you transform our lives. Thank you. Amen.

Prayer of Illumination

It is good that we are here;

this holy place is a good place to listen for God's voice.

It is good that we are together;

there is joy and strength as we receive God's word together in faith community.

It is good to reflect on our biblical traditions;

through the gift of Jewish and Christian scriptures our way is secured.

It is good to be inspired to work for just and compassionate causes;

the call is to come down from the mountaintop and go out to serve.

Bless us and open us to receive your word this morning, Holy God.
Amen.
