## Prayer

---

**Cantonese:** Pray for God's vision for this new year, and for the relaunch of our cell groups.

**English:** Pray we would be intentional about being formed into the likeness of Jesus. May we continue to grow as Christ forms us through his Spirit and may we be active in demonstrating his love in our community. Pray for our 3D fellowship as we conduct the Alpha Outreach course. Pray that many of their non-Christian friends would join.

**Youth:** Pray that our students would deepen their walk with God. Pray for more counselors and ROOTS teachers.

**Children:** Pray that God will speak to all BAC parents' hearts and guide them to partner with the Children Ministry in building the spiritual lives of the children.

**Mandarin:** Pray for the training of the members in the Blessing Group. May God's Spirit spark a fire in their hearts to share the gospel & fulfill their commitment.
