TODAY'S TOPIC:
RAHAB AND THE SPIES

It was time for the Israelites to enter into the Promised Land. Joshua knew that taking over the city of Jericho would be a huge task. He sent two spies into the city to learn about Jericho and see how strong its walls were. When the spies got to Jericho they found a place to stay at Rahab's home. Rahab had done many wrong things in the past. But remember, no one is too bad for God to love them.

The king of Jericho found out about the spies and sent soldiers to capture them. Rahab made a brave choice, she decided to help the spies hide on her roof. She had heard about the amazing things that God had done for the Israelites. She believed that God was the one true and powerful God. She believed in God's plan to help the Israelites takeover Jericho. She helped the spies escape by climbing down a red rope out her window. She asked that she and her family be saved when God delivered the city to the Israelites.

The spies agreed and told Rahab to display the cord as a sign of where she lived to spare her and her family.

Help the spies escape
