### Things to think about:

- What does 1 Samuel 21 teach us about God's grace toward flawed people? How does this passage encourage you in your own walk of faith?
- The Holy Bread (Bread of Presence) served as a reminder to Israel of God's presence with them. What specific, practical ways might we remind ourselves of God's presence in our lives? How might these reminders help us in difficult situations?
- Goliath's spear served as a reminder of God's victory won for His people. Why is it important we remember the victories God has won for us? What is one specific victory God has won for you in the last year?
- Practically speaking, what does it look like to bless the Lord at all times—including difficult times? Why should we do this? How do we do this (especially when we don't feel like it!)?
- Aside from Psalm 34, what are other passages of Scripture that speak to blessing the Lord at all times?

## Missionary of the Week

**Paul & Krista Beam**

**Frontiers, UK**

Paul & Krista minister in England, where they've lived for more than 25 years.

Paul needs God's discernment and grace in his role providing IT support for office staff and field missionaries worldwide. They both need God's wisdom and patience as they minister to young adults, mainly in the church, mostly to new believers, and through friendship evangelism (especially Krista). They also ask for God's strength and wisdom to support Sophie, living independently half an hour away, and Alex, living at home and facing several challenging conditions. Pray for their health and for much-needed rest.
