2026 Nehemiah Assembly

Mon. April 27th // 6pm - 8pm

Wichita State University Eugene Hughes Metropolitan Complex
5015 E. 29th St, Wichita

The 2026 Nehemiah Assembly will unite over 1,500 people of faith from across Sedgwick County to call on local officials to enact community-driven solutions to gun violence, affordable housing, and homelessness. Answering God's call to do justice, our congregations are rising together – mobilizing our fellow worshippers and neighbors, holding our leaders accountable, and building a powerful Great Assembly for Justice to transform our community.
