# PRAYER LETTER

Dear Prayer  
Partners,

Greetings from chilly West Virginia! It is surreal to think about how I am almost halfway through my time here at ABC; and to think, I only planned on attending for one year! The Lord's ways are certainly higher than our ways, and for that I am thankful. I have greatly enjoyed my studies this year, specifically my biblical counseling and women's ministries classes. It has been a great opportunity to learn how to practically apply all the things I've been learning in my Bible and Theology classes. I am eagerly looking forward to how the Lord may use me to serve Him in light of everything I am learning about Him. He is supremely worthy of all my worship and service, but sometimes I stand amazed that He allows me to do so! I am thankful for our kind and loving God.

Last semester, I wrote that for my Christian service, I had the opportunity to help with my WV church's Patch the Pirate Club. This semester, I have taken over the responsibility of leading the club! It has been exciting, but somewhat intimidating. We have five kiddos who attend faithfully, and occasionally a few extras. It is my prayer that the Lord would work through our efforts to bring these children into a deeper relationship with Him, by His grace. We are also preparing the kids for a special time of music for the Sunday Morning service, which we hope will be a blessing to our congregants. God has grown me through this ministry, especially through teaching, which is not within my comfort zone. May it be for His glory alone.

In other news, I have enjoyed being the Sophomore Class Treasurer this year, which, if any of you know my history with math, is ironic. I have also loved intramural volleyball this semester, as well as working at an area preschool as their after-care supervisor, which I have been privileged to do for the past two semesters. Lastly, I have also enjoyed being a Checkmate's leader this year. Checkmate groups are for on-campus spiritual growth and accountability, and I get to lead two other girls each week.

#### Prayer Requests:

That the Lord's goodness will continually propel me to good works; that I will be faithful in sharing and displaying the gospel to my Patch and preschool kids; that I will have humility and wisdom in future ministry and leadership opportunities; that God will make me wise in understanding His ways and bold in following His leading.

Thank you all for your continued care and encouragement during my time at ABC. Your prayer and support mean the world to me, and I am so looking forward to seeing you all over spring break, Lord willing.

I am always blessed by the reflection on and memoriation of the Psalms. Psalm 119:68 is a current favorite, I hope it to be a blessing to you as well. "You are good and do good; teach me your statutes." Psalm 119:68

In Christian Love,
