Lift Aids, Inc. is pleased to provide the following quote for the above-referenced project.

Provide and install one Garaventa Model GVL-EN-144 vertical platform lift with the following features:

- ❖ Large clear outdoor platform
- ❖ 750-pound capacity
- ❖ Silver Moon in color
- ❖ Emergency stop/alarm
- ❖ Grab rail
- ❖ Enter / exit – straight thru
- ❖ Passenger courtesy light
- ❖ Anodized aluminum frame enclosure with plexi glass lower door and upper door
- ❖ Rocker style control buttons
- ❖ Steele enclosure with plexi glass
- ❖ Chain hydraulic drive system
- ❖ 2 wall mount controls
- ❖ Maximum of 144" of travel with two landings
- ❖ Power door operators for both landings
- ❖ 2 years manufacturer's warranty on parts; 1 year labor warranty
- ❖ Initial inspection by State Elevator Inspector

COST - \$46,800.00 **Price valid until March 1, 2026 This price includes decommissioning, removal and disposal of existing lift.

Work to be provided by others:

- ❖ 120-volt single-phase 15-amp power source at lower landing
- ❖ Install visible, fused, lockable, inline disconnect provided by Lift Aids, Inc.
- ❖ All local, state, and federal permits, variances, and inspections

If you have questions, please call.

Sincerely,

LIFT AIDS, INC.
