Dear Pastor Clark and Aurora Baptist Church,

As I was reading about David's instruction to Solomon on how the temple was to be built, a phrase he used really caught my attention.

***"The work is great: for the palace is not for man, but for the LORD God." I Chron 29:1***

We have all been given a work to do for the Lord, and it is without question a great work. There is much to be done and much to be sacrificed. We must remember, though, that in all our labor, the glory of God is the goal. It is God's ministry, God's people, God's message, God's money, and God's church. We cannot let this truth slip away, or else we will begin to strive for the glory of men and ultimately not finish the work God has given us to do.

It is with great rejoicing that I report to you that we have made it home with the RV. I want to thank the Lord for a safe trip with no issues as we traveled. I also want to thank all of those that prayed and gave to make this trip possible. We could not have done it without your help, and we are so grateful. It has been such a blessing to our family as we have already been traveling in it the last few weeks.

The last few months have been spent presenting the ministry in some new churches. Praise the Lord, we have had eight more churches partner with us in financial support. We now have over 50% of our needed support promised. I am planning to book meetings through May of 2026 and praying we will be fully supported by then. We hope to be ready to make our move to Olongapo by the end of next summer. We left home a couple of weeks ago, and things won't really slow down again until the holidays. Please pray that we would be a blessing to the many churches we are scheduled to visit. Pray for safety on the road and that our support would continue to increase.

We can't thank you enough for your investment in the work of God in our lives. It is our privilege to partner with you to spread the gospel across the Philippines. We are hearing wonderful reports of what the Lord is doing there, and we can't wait to be part of it! We couldn't do it without God's people behind us. God bless you all.
