Oct-Dec 2025

To the saints of Aurora Baptist Church,

Another year has come and gone, and we truly stand amazed at all the Lord has done. I often say that there is nothing better than serving the Lord, and I believe the old song had it right when it said, "The longer I serve Him, the sweeter He grows." What a wonderful Savior is mine!

One of the greatest blessings we have known this past year is the joy of having local churches partner with us in the ministry. We travel many long, hard miles and spend much time preparing to minister in churches all across the country. It is hard to describe how much of a blessing it is to hear word that one of those churches has decided to take us on for support. There are many that never commit to that, so each one that does is very special to us. It is so much more than receiving a monthly offering. While we certainly need and appreciate the financial support, knowing that there are others who have recognized the call of God on our lives and are willing to stand behind us and pray for us is a far greater blessing. Thank you so much for your part in that. We absolutely could not do this without you.

I want to take a moment to let you know about our travels the last few months. In October, we were able to take part in several conferences and missions emphasis months. We were in New York, Missouri, New Hampshire, Maine, Nova Scotia, and Ohio. In November, we had a few more meetings in Ohio, as well as Saskatchewan, Georgia, North Carolina, and Florida. December slowed us down, but we were still able to present again in Ohio, along with Kentucky, Mississippi, and Alabama. We are thankful for all the open doors the Lord has given us. Praise the Lord many of these have also taken us on for support and others are planning to in the future.

By the grace of God, we are planning to make our move to the Philippines this coming August. There are several things that need to happen to make this possible, so we humbly ask that you would join us in making them a matter of prayer. We currently have right at 70% of our needed support promised. We are asking the Lord that we would be fully funded by our departure date. We will also need a vehicle for our family in the Philippines. I have researched and spoken to several in the country, and I am estimating we will need \$25k-\$30k to purchase a reliable vehicle that will be sufficient for the needs of our family. Next, will need to find and furnish a house to rent in or near Olongapo. Lastly, we will need wisdom with how to handle our things here stateside. Each day we are inching closer, and there is much to be done, but we believe the Lord will take care of it all. Thank you for helping us pray!
