**March 2025**

Dear friends and family,

It is with great rejoicing we bring a report of what the Lord has done in our lives over the last two months. Since our last letter, we have had the opportunity to present the ministry in several churches, and have been a part of several camp meetings and revivals. We were also able to be a part of our home church's missions conference. In just the last few weeks, we have had the privilege to see six souls gloriously saved! God is moving in a powerful way, and we have been so encouraged by the working of the Holy Spirit in our own lives as well as the lives of many others. We give God all the glory for his wonderful works to the children of men.

Since the start of the year, four new churches have promised to partner with us in monthly financial support. Along with those, one of our supporters increased their monthly giving. This brings us to right at 40% of our monthly support goal. Praise the Lord!

We ask that you would continue to pray with us about bringing down the RV that was given to us in Alaska. Before making the trip, we will need funds for flights to Anchorage, tires, and fuel for the over four thousand mile journey. We estimate we will need around \$6,250 to take care of this need. We believe the Lord gave it to us for a reason, and we are trusting Him to provide all that is needed. Every mile we are able to travel in it will be to His praise and glory!

We covet your prayers as we have just launched out on a twelve week trip. Lord willing, we will visit Kentucky, Pennsylvania, Washington DC, Virginia, West Virginia, Ohio, Indiana, New York, Montreal, Georgia, Texas, Mississippi, Alabama, and Florida by the end of May! We are so excited to see all that the Lord will do. Please pray that the Lord will use us to be a blessing to all these churches and that He would lead many of them to take us on for support.

Glorifying God and Serving Others,  
The Wanner Family
