We would like to say thank you for the food and gas gift cards and money given to help offset some of the expenses incurred with our newborn's recent stay at the hospital in Columbia. Most of all, thank you for the prayers that were sent up on his and our behalf. He made such wonderful progress after his surgery and he is now home.

We invite you to join us for chapel each Wednesday at 8:15. You can also join us online at <https://www.youtube.com/@trinitylutheranchurchschool1036>.

Our chapel offerings for the 3rd quarter will be going to support the Gospel Adventures™. Gospel Adventures™ is a program of Lutheran Hour Ministries (LHM) that shows the different methods and opportunities Christians worldwide use to share the Good News. So far this quarter we have collected \$357.47. May the Lord bless our giving!

How can you make an impact on kids around the world?

A main feature of Gospel Adventures is the opportunity for kids in the United States to help raise funds that directly support children in other regions. Since 2012, kid donors have given around \$300,000 to Lutheran Hour Ministries' Global Kids Fund that supports kid-centered ministry efforts around the world.

What can YOU do to share the Gospel in Mongolia?

Your gifts will fuel programs for youth in Mongolia and elsewhere that are designed to share the Gospel with those who have not yet heard it. The ministry hosts vacation Bible school, youth gatherings, and workshops, provides holistic outreach to youth in need, and develops a variety of age-appropriate resources that teach about Jesus and offer biblically-based guidance. By supporting our Global Kids Fund, YOU can help share Christ's message of hope with children throughout Mongolia through LHM's programs.

**WORDS OF
WORSHIP**

Dear Words of Worship partners,

As promised, this message begins our weekly series of emails. It is our prayer that this communication is a blessing to you and to all with whom you share the emails within your congregation.

Picture this: A child hears “Thank the Lord and sing His praise” and begins to join in song, “tell ev’ryone what He has done.” A father begins praying “Our Father who art in heaven,” and the family around him folds their hands and continues together. A grandmother picks up a book that her grandchild eagerly placed into her lap, and she gathers both child and book together, pointing out images that relate to faith.

Did you picture these scenarios in the church pew? At home? Somewhere different? It is the prayer of those partnering in *Words of Worship* that the answer will be “all of the above” as it becomes an increasing reality for children, families, and congregations.

This may be the first or the hundredth time you’ve heard the phrase “Words of Worship” as a title for a program. Whether you know much or nothing at all, we hope you’ll finish reading this email with interest and excitement for what we pray God will do through this endeavor.

But first, what is *Words of Worship*? This program equips congregations and families with tools to nurture children’s faith through meaningful, age-appropriate engagement in worship and prayer.

Key objectives include the following:

- Equip parents, caregivers, pastors, and church workers to pass along the faith to children from birth to age 8.
- Develop companion resources to help families use the common language of faith at home.
- Help children to express their faith by nurturing worship and prayer practices.

This program is made possible by a \$1.25 million grant from Lilly Endowment Inc. through its Nurturing Children Through Worship and Prayer Initiative.

So, what does this mean for you? If you’re reading this email, your congregation is part of a cohort that has partnered in this program in a meaningful way. CPH will provide several cohorts with free training and resources designed to engage children in worship. Congregations will provide feedback throughout the process to help cultivate a program that congregations across the LCMS can use.

Please pray with your congregation, fellow congregations, and all involved in the *Words of Worship* program so that these partnerships bear fruit in the ways children use words of worship throughout the week and throughout their lives.
