Taking the message of the risen Son to the land of the rising sun.

February 2026

Dear Pastor Campbell and Church,

Because of some unexpected health issues of the couple I work with the children's meeting we had planned in December was canceled. Now we are planning to have a meeting on April 11. Recently we met with Bro. King and we are praying about someone to come and eventually take over the work here. Bro. and Mrs. Mori are in their 80's and not in good health. Please pray for this matter and for the upcoming meeting in April.

I was able to have the Christmas meeting for the ladies in the English classes. There were five ladies who attended. There weren't any decisions made but there was one blessing. A lady named Kazumi was able to come. She hasn't attended class for over a year and a half. She had some health issues and after recovering she started a small business so it is hard for her to come to English class. I and everyone else were so happy to see her. Continue to pray for the salvation of the English students.

Every Friday morning, I participate in a sign language circle. Twice a month one of us gives a speech on whatever topic we want. I was able to do a speech about Christmas in December. The members were curious and asked many questions and commented that they learned a lot of things that they had never heard before. I was so thankful for this opportunity and am praying for more chances like this one to share the gospel.

Continue to pray as we pass out fliers and tracts and invite people to church that the Lord would work and for people to respond.

Thank you for your faithful prayer and financial support.

In His Service,
