What is Youth Group?

Youth Group is a safe space for teenagers to connect with other youth, experience community, fun, games and good conversation. Connecting with God and with one another, we seek to put our faith into action through hands-on activities that help our church, our community, and the world.

We also participate each year in the **Northern Churches Youth Camp (NCYC)**, which is happening 1-3 May this year, where we explore faith, connect with other teenagers, and have heaps of fun at Upper Plenty Convention Centre.

We also meet once per term with the NCYC youth groups for a **combined evening** of fun, such as scavenger hunts, trivia nights, worship nights, and bowling.
