

# Rector Profile

## Saint Andrew's Anglican Church

### Douglas, Georgia

Saint Andrew's is seeking a rector who is both grounded and visionary — a pastor who loves traditional Anglican worship and is eager to form disciples in a small-town Southern community.

#### **Who We Are Seeking**

We are looking for a rector who is:

- Biblically grounded and theologically educated
- Experienced in parish leadership
- Traditional in worship and Anglican practice
- Evangelistic and mission-minded
- Compassionate and relational
- Humble and collaborative
- Adaptable in a rural context
- Supportive of the leadership gifts of both men and women in the church

We are open to a rector who recognizes and encourages the varied roles in which women faithfully serve within the life of the parish, including ordination.

#### **Core Responsibilities**

The rector will:

- Lead worship according to the 2019 Book of Common Prayer
- Preach and teach Holy Scripture clearly and faithfully
- Strengthen discipleship across generations
- Provide pastoral care and spiritual counsel
- Mentor assisting clergy and lay leaders
- Identify and deploy the gifts of parishioners
- Partner in evangelism within the community
- Collaborate in worship planning, including music leadership

Education and Formation

- MDiv, MTh, or equivalent theological training
- Anglican or Episcopal seminary preferred (others considered)

#### **Long-Term Leadership**

We are praying for a rector who senses a long-term call — ideally someone willing to invest a decade or more in the life of Saint Andrew's.

This is a parish ready for steady, relational leadership.
