

2026 Lent Bible Study

WEEK 2: THE MOUNTAIN

Focus: Glory & Listening | **Scripture:** Mark 9:2-9

The Landscape

Mount Tabor rises steeply from the plain. The air is thin; the view is wide. Mountains in Scripture are places of revelation.

The Wesleyan Connection

Methodists believe in "Christian Perfection"—the idea that God's love can fill a human heart so completely that love becomes our natural motive.

The Transfiguration is a visual of this: humanity saturated in divinity. But we cannot stay there. We go up to receive power; we go down to serve people.

Thoughts from last week's study.
