We are happy you have chosen to worship with us today. Please take a card and fill it out, place it in the collection plate, or scan the QR code so we may have a record of your attendance. An attended nursery is provided for children two and under in room #2.

# Center Stage

By Michael Orr

You're chasing a mountain,  
In a valley of feeling,  
You're climbing a tower,  
Without any ceiling.

You wander in wastelands,  
Of worry and rage,  
But you're living in corners,  
And not center stage.

For there in the center  
Is meaning untethered,  
The heart of commission  
Though weary and weathered.

All purpose and substance,  
Displayed on each page,  
Where love was first written,  
In life's center stage.

With strangers you wrestle,  
For nods and approval,  
Your fear their rejection,  
And outward removal.

While inwardly yearning  
To stop and engage,  
With life's deepest treasures,  
Within center stage.

Now cast off these shackles  
Of sideshows and curtain,  
For none of them matter,  
You know this for certain.

As the One who redeemed you  
Not the god of this age,  
Deserves all the glory,  
Upon center stage.
