Help kids know each other and encourage them to serve. Create opportunities for the next person to join in, whether it's discovering Jesus for the first time or building relationships with peers and leaders.

CENTRAL BAPTIST CHURCH

Edmonton, Alberta, Canada

CENTRAL
Following Jesus Together

Central is a Christ-centred, Bible-believing church with deep roots in Edmonton and a long history of faithful ministry. For generations, Central has sought to follow Jesus together—grounded in Scripture, dependent on God’s Spirit, and committed to loving people in practical, relational ways. We believe Jesus is the only way, the Bible is God’s true and trustworthy Word, and that life with Him is found and formed best in community.

Central is a multisite church serving the Edmonton metro area (population ~1.5 million). We currently worship across three sites, with a fourth site—McDougall—preparing to launch in fall 2026. On a typical week, around 1,000 people gather in person across our sites, with additional participation online. Each worship gathering typically ranges from 150–250 people, allowing us to do some larger things together as one church while maintaining a relational, pastoral, and community-centred culture at each site. Our church family includes people of all ages and life stages, united by a shared desire to grow in faith and live out the gospel where God has placed us.

Our structure reflects both shared leadership and local expression. Each site is led pastorally and contextually, while the church as a whole is guided by a Lead Pastor and Lead Team who provide spiritual direction, vision, and alignment across Central. We value collaboration, trust, and unity, believing that we are stronger—and more faithful—when we lead together.

Culturally, Central is relational, approachable, and intentionally non-corporate. We choose warmth over polish, authenticity over image, and grace over performance. We believe that being quick to confess and eager to forgive matters deeply, and we work hard to create environments where people are known, welcomed, and invited to grow. You can blend in for a while, but eventually we’ll ask your name—and we think that’s a good thing. Our ministries and structures are designed not just to run programs, but to help people build real relationships and take meaningful steps of faith.
