MASLIN

DiscipleMakers exists to walk out Christ's call that we *make disciples of all nations*. They do that by strategically preparing college students to respond to the call. They believe God has given them effective methods to accomplish His call. These methods consist of bible study that transforms character and worldview, leadership development and discipling, culturally relevant evangelism, life-giving, encouraging fellowship, and fervent prayer and moving worship.

Taylor, an Athens graduate, was involved as a leader in the DiscipleMakers fellowship at Penn State for several years while she completed her master's degree. She joined as a staff member in 2023 where she now serves the entire ministry behind the scenes.

The Vision

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. Surely, I am with you always, to the very end of the age."

– Matthew 28:18-20

Monthly Missions Highlight

And all the believers lived in a wonderful harmony, holding everything in common. They sold whatever they owned and pooled their resources so that each person's need was met.
