

# ALL NATIONS OUTREACH MINISTRY CALVARY BAPTIST CHURCH

"A Church... All Nations"

February 20, 2026

## "Great Meeting"

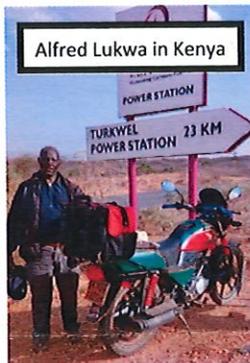

In January we hosted our second annual ANOM Bible Conference and had a wonderful turnout of our members as well as people from area churches in Florida and Georgia. Mike Wells, Chad Stanley, and GERALD JOHN were our guest preachers.

We set a goal of raising \$50,000 for our ANOM Bible Fund over a span of 12 months. This would enable us to place the Word of God into the hands of local believers in the 379 churches we have helped to plant during the past four years. Praise the Lord, as I write this letter, **we have reached \$50,396.07** just since announcing our plan and the weeks following the conference. It has been incredible to see the giving of the people of our home church as well as others from outside.

## "Great Harvest"

Our Jesus Film Ministry wrapped up the year with more souls saved than any previous year. We now have 111 JF Packs scattered globally and are seeing an average of **10k to 12k saved monthly**. The souls saved are from places like India, Cameroon, Argentina, Zambia, the Philippines and many other countries. I will be taking more of these units to Kenya, Tanzania, and Malawi in the months of March and April as I travel. Pray for the local pastors as they use them for village evangelism.

These are a tremendous tool for the gospel and cost us \$900 per pack. If you want to give online scan the QR Code below to connect to our ANOM page and then scroll down the page to click onto "Jesus Film Pack Donation". This ministry saw over **155k souls** come to Christ in 2025.

## "Great Need"

We are raising an additional \$15,000 for our Bible Fund to be used for a shipment of **30,000 KJV Bibles to Liberia** in July. We have numerous pastors we support in this part of Africa, and these will greatly benefit the work there. I will be in Ganta, Liberia later in the year and help distribute these to local churches.

**We are also in need of a vehicle in West Africa.**

I plan to be in Nigeria, Benin, and Togo in the Fall / Winter. Kim and I have a two-bedroom bungalow in a town called Karshi (outside of Abuja, Nigeria) that we use as a base for ministry. Getting into the various parts of this region and helping indigenous pastors requires transportation. We need about \$10,000 to get a reliable truck. I currently have a little more than \$2,000 of this set aside but am praying for the rest. It will benefit the gospel greatly.

Thank you for all your prayers and support. We could not do all that we do without you. We love you all.
