Application Questions – *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Growth Group for even more benefit.*

Our Need

The greatest need of your life is to be in Right Covenantal Relationship with God.

A Covenant is an unchangeable, divinely imposed legal agreement between God and man that stipulates the conditions of their relationship (Grudem, *Systematic Theology*).

God's Solution

Our need can only be fixed through Faith in Jesus Christ.

Three Benefits:

- 1) A New Identity.
- 2) Saved from Death.
- 3) New Desires.

1. The timing of the events in this passage seems a little awkward. Share about an experience of awkward timing in your life (bonus points for humor!).
2. Consider Grudem's definition of a covenant. What covenants can you think of in Scripture? (Hint: There are six of them).
3. How would you describe the new covenant that God offers us in your own words (Scripture references are a plus).
4. Which of the three benefits of a right covenantal relationship with God do you most need to be reminded about today?
5. Prayerfully name one person that you will tell about the new covenant that God offers us.
