

Growing In Christ

Men's Breakfast: Food, Fellowship, and Faith

By Doug Buchanan

Our Men's Group meets on the last Saturday morning of every month. A hearty breakfast is prepared by John Blanchard and Phil Kuttain. Men from the area come together to share in fellowship and grow in their walk with God. At every meeting, different guest speakers come to share the Word or their testimonies.

On January 31, 2026, around 16 men enjoyed a time together as they engaged in meaningful conversations.

They converse on a wide range of topics—personal life, family, community, work, and their faith.

Our very own Pastor Andrew Brown was the guest speaker. He delivered a powerful message on prayer, drawing from the Scriptures in Luke 18:1–8 and Acts 4:29–31. His message deeply resonated, and we shared an open discussion, sharing thoughts, personal experiences, and testimonies.

In conclusion, we were challenged to be intentional in taking time to pray and he reminded us that God never gives up on us! He closed by distributing a small card with the reminder! P.U.S.H –

Pray
Until
Something
Happens

coldest *night OF THE YEAR

By Sally Buchanan

Saturday February 28, our Church hosted the "Coldest Night Of The Year". Our Team Captain was Dave DeVries. There were about 38 participants in this walk from Seaforth area. Our walk was to bring awareness to the many individuals who face the cold day after day! I personally hate the cold and could not imagine being out in these elements all the time! This is why I really wanted to support such a cause. After our walk, we enjoyed a hot soup and chill luncheon at our Church. Tim Horton's generously provided the soup and rolls along with the ladies from Bethel making chili and desserts.

Thank you to all the participants and sponsors for your part in this Fundraiser. Praise God, Seaforth community raised \$9,000 & still counting! You can still donate until the end of the month.

REMINDER!
