Dear Prayer Partners,

The Lord gave the word: great was the company of those that published it. Psalm 68:11.

We have great expectation that this year we will publish the New Testament in the Georgian language. Brother Alex and Sister Khatuna began this work in March 2022. It has been the full time job for Khatuna these four years. We plan to continue her support as work begins on the Old Testament later this year. Brother Gari Arutiunov's son, George, will join the team. George is the only one qualified in Biblical Hebrew to undertake this task.

I have no doubt that we will encounter much spiritual warfare in the coming years. The team there and our work here at the Russian Bible Society will be in the crosshairs of the enemy. Please make it a part of your intercession in prayer for all of us.

Khatuna has had some health issues for the past several months. We don't know or understand all that is involved. She has seen a lung specialist in the Netherlands. We understand that she has had some improvement of late. Please pray for her.

Thank you for this month's support. Please note that your gift was used 100% for the stated project.

Love in Christ,

Pastor Ben Wilkerson
