*Church Revitalization in  
Wauchula, Florida*

## Dear Praying Churches, Family, and Friends

This month we have seen the Lord do wonderful things in our church family. Early in the month, we were blessed to have a new family with three children begin attending our services. We have had dinner together, and they are planning to join the church this Sunday. What an encouragement they have already been! Please pray for their continued growth and faithfulness.

In addition to this family, we have had several other visitors attend various services throughout the month. While most have not yet remained consistent, we are thankful for every opportunity to preach the Gospel and plant seeds. We are praying the Lord will continue to draw families to Himself.

We also want to praise God that we have been filling up our building each week. It is a wonderful "problem" to have! The Lord continues to grow His church here in Wauchula.

This month we also were able to restart our Spanish outreach ministry, and we are thankful for this open door. Each week we are faithfully giving the Gospel to 60 or more men. Most come from a Catholic background and are originally from Mexico. Please pray specifically that the Lord would soften hearts and allow us to lead many of these men to Christ.

Another tremendous blessing this month was our revival services with my sending pastor, Pastor Park Sutton. The attendance was strong all week, and more importantly, God worked in hearts. There was a sweet spirit in every service, and we are grateful for the renewed vision and encouragement the Lord gave our people.

We are also thrilled to report that we are very close to becoming fully self-supporting as a church. Our prayer is that by the end of 2026, Maranatha Baptist Church will be completely self-supporting. Thank you for your years of prayer, financial support, and faithful partnership in the Gospel. You have played a direct role in everything the Lord is doing here.

## Our Major Prayer Request

Our greatest need right now is a new, larger building. We have outgrown our current meeting location. Please pray that God would clearly open the right door and provide a larger facility for us to continue reaching our community.

Sincerely,

**Pastor Jordan Hershberger**
