

January 2026

Dear Faithful Friends and Supporters,

Another year has passed, and I continue to be thankful for God's faithfulness and for the work He allows me to do. Time reminds us how important it is to serve the Lord faithfully wherever He places us.

I am living in a senior community where I am able to remain in independent living at this time. I have good access to the medical care I need, and my housing, meals, and utilities are provided—all of which I see as God's gracious provision. I often think fondly of my husband, who enjoyed cooking during his later years and was well known for his wonderful meals.

The Lord has given me a mission field right here. By sitting at different tables in the dining room, I meet many residents, each with a unique story—some facing loss, others experiencing loneliness. I look for opportunities to share my testimony, encourage others, and point them to Christ, trusting God to work in hearts in His timing.

I am deeply grateful for my children, who stay closely involved in my life and care for me so well. Most of all, I am thankful for the Lord's continued provision and peace.

Thank you for your faithful prayers and long-standing financial support. Your partnership has sustained me over the years and continues to make it possible for me to live here and minister to those God has placed around me. I am truly thankful for each of you.

Serving Him,
