

Launch Out Into the Deep

Luke 5:4–7

Jesus said, "Launch out into the deep and let down your nets for a draught."

- The miracle did not happen at the shoreline.
- It happened after they launched out into the deep.
- The deep requires obedience.
- The deep requires trust.
- The miracle was already in the deep.
- The miracle was already waiting.
- Jesus spoke the draught before the nets went down.
- Obedience perceives overflow.
- He declared overflow — miracle — before they saw evidence.
- The miracle was not in the shallow.
- It was in the deep.
- The miracle did not happen at the shoreline.
- It happened when they left the familiar.
- The shoreline is what feels safe.
- It is what we know.
- It is where we can still touch bottom.
- As we step into the new church in obedience, we are stepping into where the miracles already are.
- We can expect provision.
- We can expect abundance.
- We can expect healings.
- We can expect deliverance.
- We can expect salvations.
- We can expect miracles.
- We can expect what He has already prepared in the deep.
