

# JAM 2026

**Date:** May 15<sup>th</sup> -17<sup>th</sup>, 2026

**Where:** Cairn University (Langhorne, PA)

This is a service trip that is designed for all current Middle Schoolers (6th-8<sup>th</sup> Graders). Students will be getting a buddy for the day on Saturday to take around to different stations (Crafts, games, bounce house, etc) throughout the day, build relationships with those buddied and they then have the opportunity to share their faith in Christ with them.

The trip starts with students arriving at Cairn University, checking into their gender separated dorms, sharing rooms with FRBC YG only. We will then attend a training session, followed up by free time in their gymnasium. On Saturday, students wake up to get breakfast in the cafeteria, go to more training and await their little buddies to arrive. The majority of the time is spent with them and after they are sent home, students will debrief, rest and have dinner. After, there is a rally with a speaker to challenge the students and free time that follows. On Sunday, we pack up, go to breakfast and then have one last rally before heading home.
