

What Is JAM?

JAM is a mission trip designed for Middle Schoolers. Students get trained in how to share their faith with buddies that come on campus on Saturday. Students will spend time with their buddies, getting to know them by having fun with them through various activities planned throughout the day. There will also be free time and worship rallies.

Where Are We Staying?

We stay at Cairn University (Langhorne, PA. Pastor Steve's College). There are separate guys & girls dorms. Private dorm rooms are shared by our group only. All of our meals are eaten in their cafeteria and included in the \$50!
