

# Gole Family Update

*Camp Homewood Spring 2026*

*Hello Friends!*

I hope this letter finds you well. I wanted to take a moment to express my deepest gratitude for the generous ways you support our family whether financially or praying for us (or both!)

It may be presumptuous to call this a Spring Update...March is a few days away! But we are looking forward to warmer days and sunshine.

It has been a very busy few months since Christmas. I spent 10 days in Germany with Paul recruiting for our spring and summer staff. We were able to meet up with many past staff and hear about how they are doing, pray for and encourage one another. We also spoke in chapel at a Bible School, had a booth at a large missions conference, and spoke with several young adult groups and individuals. Over the past 10 years we have created a great relationship with the people in Germany and have had over 100 come volunteer at camp.

At the end of January, we took the Camp Homewood staff to Young Life's Rockridge Canyon Camp in Princeton to attend the BC Camping Conference. This annual event is co-sponsored by the BC Camps Association and the Fellowship of Christian Camps. It was four days of seminars, connecting with other camp staff and also good team growth of our own staff.

This past month spring and summer recruitment has been a major priority. We are developing our summer leadership team by filling key roles from nurses and doctors, Camp Directors, lifeguards, wranglers and more! This involves phone calls, networking and interviewing applicants. Camps needs approximately 100 young people for the summer plus 40 or 50 adult volunteers assisting throughout.

Please continue to pray for us and the ministry! The Gospel will be shared with over 1000 campers this coming summer. Pray for our summer team as well.

We still need either nurses or doctors to serve for a week too help us care for the staff and campers needs. Pray too for open hearts to receive the good news!

On a personal family note, please pray that our team of people who support us financially would grow. My current monthly support is at 80%. "And my God will meet all your needs according to the riches of his glory in Christ Jesus" Philippians 4:19

*Love the Goles*
