Maundy Thursday Foot Washing Service with Shoe Distribution

St. Luke's Mobile Ministry along with Hope House and Holy Cross will be holding a Maundy Thursday Eucharist and Foot Washing on April 2. Along with the traditional parts of the service, foot exams will be done by medical personnel and those attending will be given new shoes and socks. This is a wonderful opportunity to spend time with our friends that use both St. Luke's and Hope House for services. In order to provide the shoes and socks we ask for monetary donations toward shoes so the correct style and size shoes can be purchased. We ask for donations of socks of different styles and for both men and women. All volunteers are welcome.
