## — **Breaking Barriers: The Church For All Nations**

Scripture: Acts 10:1-8

- I. God Prepares the Way
- II. Religion is Helpful but Not Everything
- III. Transformation Required

### — **Food for Thought** —

1. What are some prejudices that evangelical Christians have that produces barriers to the gospel reaching those who need to hear it?
2. Why does God want us to reach past the barriers with people that are different from us? Why is this so risky? And what is it that God is trying to accomplish in our own hearts in commanding us to do such?
3. How can we live pure lives in the midst of people that do not know God and are living sinfully?
