

Pray

For God's protection and the church planter's safety in the Province of Balochistan. An extremist Muslim terrorist group has been attacking several major areas in Balochistan. They have been bombing important buildings, banks and destroying the major roads in different cities. They have been target killing people that do not believe in their ideology. Please pray for our ministry in Balochistan. We have several church planters in this area. People in these small church plants are afraid to go out of their homes. Please pray that God will change the hearts of the cruel terrorists.

For God's protection for Pastor Mazfar Slamati as he plans to share the gospel in Turbat, Pakistan. Most of the population in Turbat is Muslim. Please pray that people who hear the Word of God will be receptive to the gospel and open their hearts to Jesus Christ.

Please pray for Pastor Roton Kumar Das as he continues to serve Jesus in Northern part of Bangladesh. God has given him many open doors to preach the gospel.

For God's provision for audio Bibles to give to several new believers that are unable to read. These folks are eager to learn the Bible. Please pray that the Holy Spirit will touch them to seek Christ for their spiritual needs. Please pray that the passion for learning the Bible will continue to grow in their lives.

For more laborers. Pray that God will continue to raise up His men to share the gospel in several of these areas that have never heard the gospel. "The harvest truly is plenteous, but the laborers are few;"

Your prayers and support continue to help us take the gospel to many hard-to-reach areas. It would be impossible without your love and burden for the ministry. God's divine plan of salvation in Christ continues to be glorified in Pakistan and Bangladesh. Thank you for making it possible for our team to continue sharing the gospel in the Muslim, Hindu, and Buddhist populations of Pakistan and Bangladesh.

In Christ,
