

THRIVENT SURVEY

Our church has the goal of promoting the transformative power of God's grace through faith in Jesus Christ. Stewardship is one of the key objectives of this goal. We as a church have the responsibility to teach financial clarity to our members.

Thrivent Flint Hills Group remains committed to helping our church reach this goal.

To determine and meet the specific needs of our congregation we are asking you to participate in a brief survey to help us identify where you need the most help or have interest.

Please read through the classes and description and then rank the top 5 choices you are most interested in participating. (1being the highest and 5 the lowest)
